

DAY CAMP PARTICIPANT INFORMATION

PLEASE READ THIS PREPARATION GUIDE CAREFULLY!

Time to Get Ready!

Wanake suggests that day campers wear appropriate clothing each day for camp activities and bring swimming and horseback riding gear and other items that may be needed in a small bag or backpack. Please label all clothing and equipment with the child's name or initials. This will assist Wanake in keeping your child's property "found."

Dress your child for each day as follows:

- Comfortable outdoor clothing that can get dirty.
- Clothing in layers, as it may be chilly in the morning and heat up during the day. (For example, shorts under sweatpants, a t-shirt under a jacket, etc.)

- Shoes or comfortable boots that cover the entire foot **with socks**.

For Horse Day Camp every day & all others on Wednesday:

- Proper attire for safety around and while riding horses:
 - Heeled boot or shoe made of thick materials with a smooth sole. The heel must be at least a 1/4 inch high.—If you do not already have a heeled boot, check a local thrift store. Wanake has a small boot bank for lending campers boots at camp.
 - Long pants & short sleeved shirt to wear when riding

Remember: camp is a place for exploring and playing hard. Campers should be able to get wet and dirty without undue concern for clothing. Old clothes are the best option.

Send a small backpack each day with the following items:

- Water bottle
- Jacket
- Swimsuit
- Towel
- Hat or visor
- Sun screen
- Insect repellent*
- Rain gear
- Bible*
- Extra socks
- **Wanake Nametag**
- Clothing for horseback riding (Everyday for Horse Day Camp—Wednesdays for everyone)

On Sunday remember to bring:

- Health Form & Signed Horse Agreement —if you didn't fill these out online.
- Any Medications that will be taken on site during day camp
- Alumni campers: **Wear Your Wanake Nametag with Pin(s)**

Your child may wish to bring:

- Sunglasses Camera/Film
- Their Own Horse Riding Helmet
- Items for the mission project* & craft cabin*

Wanake and the Wanake staff are not responsible for the loss or destruction of campers' personal property/vehicles/sports equipment/animals. Please do not send valuable items with campers to camp.

Please do not send:

| Radio/CD/Tape player/Ipod/MP3 | Aerosol cans |
| Video games/Electronic devices | Weapons/Fireworks |

Dress Code: We ask that all clothing be modest and free of mottos, sayings, or advertisements that conflict with a spirit of Christian community. (offensive language, drug promotion, sexual innuendo, etc.) All clothing should cover one's underclothing completely and be of a proper fit for active wear. Swim trunks are required for males and one piece swimsuits (tankinis are fine) for females. Your cooperation will aid in a successful week.

A Note About Insect Repellent and Mosquitoes

All insect repellent is not created equal! Purchase insect repellent that has deet content and does not smell "fruity or flowery." We find that good smelling repellent attracts rather than repels! Bounce dryer sheets work well keeping mosquitoes at bay! Try drying clothing coming to camp in Bounce and placing dryer sheets in your camper's luggage. Repellents do not have like effects on each person, so Wanake has alternative options available for campers at no charge. Know that Wanake takes many steps, including work with a naturalist and community, county and state agencies, to alleviate mosquitoes from the area, but the best protection for your child is to use repellent.

Health Care and Special Diets at Camp

- Campers may only attend with a completed, signed health form.
- Health care is provided through the health director and all staff have training in their health care responsibilities. Staff follows Camp Doctor's standing orders for minor illness & injury, including first aid and over-the-counter medications.
- A parent/guardian will be contacted when the Health Director determines that a camper requires treatment outside the camp's Health Center. The camp will attempt to contact a parent/guardian prior to transporting campers but will not delay urgent care if a parent/guardian cannot be reached. A parent/guardian will receive notification if their camper receives any injuries or contracts any illnesses which may require further treatment/follow-up care after camp.
- At check-in all medications (prescription & non-prescription) will be collected by the Health Staff. **All** medication, whether prescription or over-the-counter, must be in the **original** containers labeled with camper's name. All medications are kept locked in the Health Center or in a medical lock box and are secured by staff. The Health Director monitors campers to make sure medications are taken as prescribed and that health care needs are met.
- **Please notify Wanake at least three (3) weeks prior to your camper's event if your camper has special medical and/or special dietary needs. This will give Wanake staff time to prepare.**

- **All medication**, whether prescription or over-the-counter including vitamins), must be in **original** containers labeled with camper's name.
- **All medication** is kept & administered by medical staff.

Mission Project 2018:

Branching Out with the Gift of Trees

- In 2017 Wanake campers exceeded their \$500 goal with \$740, purchasing a cow for a family. Giving an animal is like giving someone a small business and daily nutrition. The cow provides a family a hand up, increasing access to school, food, medicine, and a sustainable livelihood. Families then pass on the gift to other families in need.
- For 2018 in conjunction with our theme of "Branching Out" Wanake campers will seek to give the gift of tree saplings and a Basic Necessities Basket with Heifer Project—an \$800 goal!
- A Basic Necessities Basket is a one-of-a-kind gift basket that provides families with the gifts of clean water, a healthy home and a boost of nutrition.
- Wanake will also partner with UMCOR (United Methodist Committee on Relief) to provide health kits to those in disaster and/or poverty areas. Campers may bring the following items to camp: hand towels, washcloths, 6+” comb, metal nail file, nail clippers, bath soap, adult toothbrush, and BandAids.

Bibles are provided for any camper who does not have one. Contact Wanake to have one at check in for your camper.

Who Will Care for My Camper?

- Staff members, paid and volunteer, are carefully screened and selected, benefit from training, and are led by a year-round staff with 50+ years of camp & retreat ministry experience. The staff is comprised of college students, adults of all ages, and junior staff assistants ages 15-17 with close supervision.

My Child is at Camp: What should I do?

- Pray for your child and their experience at Wanake.
- Please **don't phone** your child as contact with home tends to heighten adjustment problems. If there is an **emergency**, your message will be conveyed through the Director or Assistant Director. Likewise, staff will contact a parent/guardian if there is an emergency or particular concern about the camper.
- **Visits.** Parents, family and friends are welcome to visit the site on the **first and last** days of camp.

Homesickness — is a real part of the adjustment some children make in being away from home and family. **We are sensitive to homesick campers and “camper sick” parents, and work hard to support families through the adjustment.** As camping and youth development professionals, we want your child to develop independence in a healthy and safe way. Working together we can make your camper's experience a successful one.

- Encourage your camper by sharing with them how much fun their week of day camp will be. Tell them how proud you are of them for taking this step. Share with them that their counselor and camp director are here to help them have fun, make new friends, and grow in their faith. Encourage them to discuss their feelings with the camp staff, if they are feeling scared, homesick, or bad in any way. Tell them, you are looking forward to seeing them at check out each day.
- Studies have shown that campers who practice being away from home before attending camp experience fewer or less dramatic symptoms.
- Let your camper know that we are unable to allow campers to call home. Please don't tell a camper “if you want to come home, call me and I'll come and get you.” This negative empowerment teaches children to run from problems. We call parents when homesickness or any other factor becomes a concern.
