

## **Visiting Registered Nurse**

### **Accountability**

The Visiting RN is accountable to the Site Director.

### **Qualifications**

1. Current certification as a Registered Nurse in the state of Ohio
2. Prior experience as a health care provider and as a supervisor in a health care setting.
3. Understanding and supportive of the goals for Christian Camping at Wanake Camp and Retreat Center.

### **Primary Responsibilities**

1. Visit the camp site and the on site Health Director once each day that programs are in session.
2. Coordinate with Health Care Supervisor
2. Consult with the Health Director daily. Consultation might include checking current health concerns or recent treatments, review actions taken, provide guidance in implementing the Health Care Plan, and/or reviewing the medical log and/or accident reports.
3. Assist with health screening and medication collection during camper check in on Sundays and Mondays (and other days as scheduled).

### **Essential Functions**

1. Ability to communicate with Health Director and Site Director.
2. Cognitive, visual and auditory ability to identify and respond health concerns of campers.
3. Cognitive and visual ability to identify trends within written medical logs, health forms, and records.
4. Ability to communicate and work with staff and campers (different age and skill levels), and provide necessary instruction.
5. Ability to observe health director's work and instruct health director in appropriate, safe work habits, regulations, and emergency procedures.
6. Ability to receive and respond to written and verbal communications from standing orders doctor, Health Director, parents, staff, and site director.

**Revised 07/20 SZ**
